State Coordination Team,

It was wonderful seeing everyone this week at EPA RTP! I wanted to thank you all, again, for taking the time out of your busy schedules to participate in our Team's first face to face meeting. I believe this meeting served as an excellent launching point for us to continue our important work and move forward with an enhanced understanding of the opportunities and purpose of this Team.

Special thanks to Wayne, Tim and Mark for their example presentations on ORD's work with states.

Attached are this past Wednesday's presentations. Please note, the State Engagement StRAPs attachment is the updated file of Joe William's presentation. We are compiling action items from the meeting, and we will share these with you next week.

We appreciated having the opportunity to share and collaborate with all of you!

Best,
Lisa
